ABOUT THE PUBLICATION

Where pilot buyers look for property.

Aviation Real Estate Magazine connects pilots, aircraft owners and the aviation community with runway homes, hangar properties and residential airparks across the United States. Each edition is a national marketplace for pilots, investors and aviation-lifestyle buyers seeking runway-access property and specialized aviation opportunities.[1]

The magazine is one part of a connected publishing network. Every advertiser can be seen in print-style digital editions, on the AviationRealEstate.com marketplace, on the Aviation Home & Hangar Map, in email to our buyer list, across social media and on display at the country's largest aviation shows.

Our job is simple: put your aviation property in front of the people most likely to buy it, and make it easy for them to reach you.

WHAT WE PUBLISH

- **Residential airparks**
  Fly-in communities with homes and hangars on the field.
- **Hangar homes & hangars**
  Hangar-only airparks, hangar condos and storage.
- **Private runways & ranches**
  Private land with runways or helipads.
- **Airport hangars**
  Hangars at selected regional airports.
- **Developments & auctions**
  New airpark projects, lots and auction events.

> *"We built this network so aviation property gets in front of pilots — in the magazine, on the map, in their inbox and face to face at the shows. Call us and we will help you choose the right level for your property."*

Erik McCormick

BY THE NUMBERS

Reach that flies.

Every number below is a channel your listing can appear in. Most advertisers use several at once.

43,000+

Social media followers

Ongoing social campaigns and shares across our aviation community.[2]

3,500

Buyer email list

Aviation property buyers who receive our email launches.

170+

Pages per edition

The May 2026 edition of Aviation Real Estate Magazine.[1]

700+

Airparks on the map

Listings are highlighted on the Aviation Home & Hangar Map.[2]

Nearly 9M

Map views

Times the Aviation Home & Hangar Map has been viewed.[2]

3

National shows in 2027

Show poster displays at AOPA Buckeye, SUN 'n FUN and AirVenture.

AirVenture 2026 drew approximately 734,000 people — a record.

Our booth puts advertiser posters and displays in front of that crowd every July, and in front of SUN 'n FUN and AOPA audiences in the spring.[3]

Sources: 1 AviationRealEstate.com · 2 Advertising plans · 3 EAA AirVenture statistics

WHO WE REACH

Buyers who already fly.

Our readers are not browsing generic home listings. They are pilots, aircraft owners and the aviation community looking specifically for a place to live and keep an airplane.[1]

Pilots & aircraft owners

Looking for a home with a hangar, a runway or taxiway access.

Aviation community

Planning a move to a fly-in community or a second home.

Investors

Seeking hangar, airpark and runway-access opportunities nationwide.[1]

High-net-worth buyers

Serious buyers for estates, ranches with runways and premium airparks.[2]

WHO ADVERTISES WITH US

Four kinds of sellers.

01 **Brokers & agents**
Put a listing in front of pilot buyers beyond the local MLS.

02 **For sale by owner**
Market directly to pilots without commissions or representation.

03 **Airpark & hangar developers**
Reduce unsold lots, homes and hangar units with steady exposure.

04 **Aviation Real Estate Specialists**
Stay visible to clients with marketing all year.

THE PILOT MARKET · OFFICIAL FAA DATA

887,519 pilots and climbing.

The U.S. pilot population has grown every year since 2020. That growing market of pilots is who our listings are built to reach.[1]

887,519
Active pilots
Up 28% from 691,691 in 2020.

370,286
Student pilots
Up from 222,629 in 2020.

174,155
Private pilots
Pilots holding a private certificate.

355,473
Instrument-rated pilots
Active pilots holding an instrument rating.

289,410
Pilots age 50 and over
One in three active pilots.

100,704
Women pilots
11% of all pilots, up from 58,541 in 2020.

Average age of active pilots

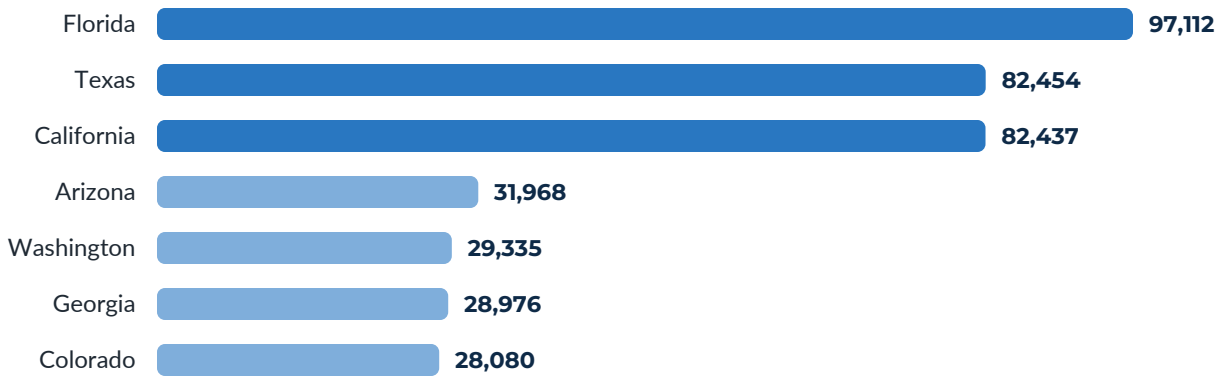

42.1 All pilots

45.2 Private pilots

50.2 Airline pilots

62.3 Sport pilots

Where the most pilots live

National figures from the FAA, as of December 31, 2025. They describe the U.S. pilot market, not a survey of our readers.

ONE ORDER, MANY CHANNELS

Seen everywhere pilots look.

Instead of buying ads one at a time, advertisers choose a level and we place the property across our connected channels.

1 **Aviation Real Estate Magazine**
Two-page feature with left and right pages, a clickable link and video on your page.

2 **Online marketplace**
Marketplace listing at AviationRealEstate.com with your own aviation real estate landing page.

3 **Aviation Home & Hangar Map**
Red real estate marker on a map of 700+ airparks, on desktop, tablet and phone.

4 **AirparkMap.com**
State and national listing placement in the airpark directory.

5 **Buyer email launch**
Your property sent to the Aviation Real Estate buyer list.

6 **Social media**
Shares and campaigns to more than 43,000 followers.

7 **Featured news story**
A published aviation property story at AviationRealEstate.com.

8 **Air show poster display**
Poster space at AirVenture, SUN 'n FUN and AOPA.

State aviation real estate websites

Visitors are routed to state-specific sites with local airpark pages and official FAA airport information. Arizona, California, Georgia and Oregon are live, with more states being added.

2026–27 MAGAZINE SPECIAL EDITIONS

Timed to the season.

Like a boat's for-sale sign going up at the start of summer, each monthly special runs as its flying season begins. When a property fits the theme, we feature it in the magazine, news, marketplace, map and social posts, at no extra cost to current advertisers.

THEMES AND DATES SUBJECT TO CHANGE

DEC 2026	**Warm Winter Strips** AZ, FL, TX, Southern CA, desert NV	TIMING **Start of snowbird season**
JAN 2027	**Jet A Special Edition** Jet A on the field (FAA record), turbine hangars	TIMING **Buckeye lead-up**
FEB 2027	**Warm Winter Strips • Arizona** Arizona airparks and hangar homes	TIMING **AOPA Fly-In Buckeye · Feb 26–28**
MAR 2027	**Other Than Asphalt • South** FL, Southeast and TX grass, turf, gravel and dirt strips, plus seaplane and helipad access	TIMING **Florida dry season · VERTICON Mar 15–18**
APR 2027	**SUN 'n FUN Edition** Florida airparks, hangar homes, seaplane access	TIMING **SUN 'n FUN · Apr 6–11**
MAY 2027	**Cool Summer Strips + Northern Grass** AK, ID, MT, Pacific NW, Rockies, plus northern grass and backcountry strips	TIMING **Start of summer · Valdez Fly-In May 22–23**

Why turf is split. Florida and Southern grass strips run in March, during Florida's dry season (November–April). Northern grass strips run in May, as summer flying starts. Runway surface and fuel are checked against official FAA airport records.
